- a. Laura Britton gave a brief description on an Event she wrote a proposal for. The Falls City Holiday Parade, The nature of this event is a community parade that would take place at 6:00pm before the Falls City Christmas Tree Lighting on December 7th. The Parade would run the normal parade route and require lights to be "lit up" on each float, and some form of holiday display. Non-Monetary City resources would consist of an insurance rider, City closure of N. Main St., set up of barricades (donated by Dani Haviland), and use of the mill lot. Proposed budget for event is minimal, use of staff time for making phone calls, placing barricades and doing the paperwork. Non city resources and funds committed to the event include Event advertising by the organizers, numerous hours of volunteer time dedicated to making sure the event is well organized, well-advertised, well received and talked about. The organizers will donate numerous hours of preparation to ensure the parade goes on without a hitch. Non-City funds include cost of social medial advertising-boosting posts on Facebook, and the cost of flyers. This event is all inclusive for everyone, its non-denominational and all residents of Falls City and surrounding areas are welcome, and encouraged, to attend.

A motion was made by Committee Member Haviland and seconded by Committee Member Anzalone to recommend City Manager Corthell to review and make a recommendation for City Council to approve this event. Motion passed 4-0-0-2 Lori Jean Sickles, Dennis Sickles (via conference call), Janelle Anzalone, and Dani Haviland

- b. The Falls City Thrive! Proposal by Dani Haviland The name of this event is Falls City Thrives! At this time the logos is in development. A Bata version is attached. The purpose of this community-wide, all inclusive, and ongoing celebration is to stimulate volunteerism in Falls City. Anyone who volunteers would be issued a voucher, signed by an approved issuer. Each hour worked at an approved volunteer activity will receive one ticket. These carnival-style tickets will be issued by the City and a record of the series numbers kept on hand reducing the chance of fraud. Once a month a drawing will be held for a minor gift. Suggestions are vouchers for a free meal at once of the eating establishments in town or

other "donated" goods. Then at the end of the year, a grand prize drawing will be held. This will be a "Split the Pot" prize of cash. Anyone who would like to may donate money to this "pot" can but the only way a person can win 50% of the contents is to have a winning name/number drawn from the volunteer ticket cache, The other 50% of the pot will be held in trust by the city for community events and/or future small, monthly prizes. There is a list of suggested volunteer opportunities in the proposal. Date, time and location of the event are tentatively scheduled for a monthly drawing held on the last Friday of the month during the produce giveaway at MTN Gospel fellowship. The Grand prize drawing would be at the Annual Community Tree Lighting Ceremony at 257 North Main Street. This year it falls on December 7, 2019 at 7:00pm. Itemized list of City resources and tasks needed for this event Create a section or paragraph in the Falls City Newsletter about volunteer opportunities with points of contact. Also, after the funding for 'Split the pot' is established, share the current total in the same newsletter. Establish a separate line item in the City's accounting system to accept and track the donated funds for the split the pot. Issue carnival-style tickets to those walking in with signed vouchers from approved volunteer coordinators i.e. principals, Produce Giveaway coordinators, etc. If the city already has them on hand, or can acquire them, the donation of the physical tickets would be appreciated. Put points of contact on the Community Center sign board. If feasible, give 'volunteer' badges or stickers to help spread the word to the community. Branding the event should increase its popularity.

Committee Chair Lori Jean Sickles moved and member Anzalone seconded to recommend City Manager Corthell to review and make a recommendation for City Council to approve this event. Motion passed 4-0-0-2 Lori Jean Sickles, Dennis Sickles (via conference call), Janelle Anzalone, and Dani Haviland.

STAFF REPORT

TO: PARKS & RECREATION COMMITTEE
FROM: WILLIAM SULLIVAN, COMMUNITY DEVELOPMENT & OUTREACH
COORDINATOR
SUBJECT: RARE WORK FOR PARKS & RECREATION COMMITTEE
DATE: OCTOBER 16, 2019

SUMMARY

William Sullivan, the new R.A.R.E./AmeriCorps volunteer in Falls City, will be working with the Parks & Recreation Committee to create a committee handbook and on a pathway project.

BACKGROUND

In December 2017, City Council passed a Parks Master Plan, initiated by the Parks & Recreation Committee. The Plan calls for a river trail along the Little Luckiamute River. In collaboration with the Falls City Steering Committee, the City is working on realizing the portion of the river trail from the 3rd Street Bridge, through Fay Wilson Memorial Park, across Bridge Street, and up to the Falls. Plans for the project are in development and the Parks & Recreation Committee will have input before a funded project is put before the City Council.

Another aspect of William's work with the city is to create committee handbook that delineate responsibilities of and procedures pertaining to city committees, including the Parks & Recreation Committee. These handbooks are meant to be helpful tools for the committees' use and will be take shape over the next few months.

PREVIOUS COUNCIL ACTION

William's Work Plan (scope of work) was provided to Councilors at the City Council meeting on October 14, 2019.
