## STAFF REPORT

---

---

**TO:** PARKS AND RECREATION COMMITTEE  
**FROM:** JAMIE WARD, CITY CLERK  
**SUBJECT:** "LET FREEDOM RING!" LESSONS LEARNED  
**DATE:** 07/12/2019

---

### SUMMARY

On May 1, 2019 City Council adopted Resolution 16-2019, A Resolution Sanctioning the, "Let Freedom Ring!" annual Memorial Day Event. A Community Event, honoring local Veterans, taking place on the Sunday of Memorial Day weekend including: a block party featuring, a parade, live music, local vender sales, Old Guard Riders flag line, Blessing of the bikes and speeches from city officials and community members.

### BACKGROUND

N/A

### PREVIOUS COMMITTEE ACTION

N/A

### ALTERNATIVES/FINANCIAL IMPLICATIONS

- \$300- approximately 8 hours' worth of overtime to the city's member serving as the "day-of" Co-Event Manager, who will assist the Citizen Committee's Co-Event Manager to supervise day-of operations, represent the City, and ensure overall event success.
- \$50- fliers to notice road closures and advertise event.

#### Monetary Intake:

- Potential receipt of funds for vendor fees, donations and/or sponsorships. The City will create a dedicated fund for this event upon receipt of moneys. That fund will serve the specific use of supporting the "Let Freedom Ring!" annual event and will be the operating fund for this event into the future.

#### Non-Monetary Outputs:

- Planning and coordinating preparation- City Manager (8hrs), City Clerk (2hrs), Public Works Director (1 hour), Fire Truck Drivers (2 hours),
- Execution- City Manager (2hrs), Fire Volunteers x 5 (1hrs x 5), City Staff Co-Event Manager (10hrs); Insurance risk, allowed use of the Old Mill Lot for parking (including a partitioned motorcycle area), ensure port-a-potties are placed in parks (this would already be done).

### STAFF RECOMMENDATION

Although this event had very good public turnout and we have received positive feedback from community members, we would like to hear from committee what lessons you feel should be addressed for future success. A couple suggestions we have had were the lack of volunteers and how to better attract non-local visitors to stay longer.

## STAFF REPORT

---

---

**TO:** PARK AND RECREATIONS COMMITTEE  
**FROM:** JAMIE WARD, CITY CLERK  
**SUBJECT:** ANNUAL SOLVE CLEAN UP  
**DATE:** AUGUST 5, 2019

---

### SUMMARY

City Staff requests Park and Recreations Committee for a recommendation to City Council on a date, time and project manager for the annual SOLVe and event and advise Council to direct this person to apply for the SOLVe Grant. See Exhibit A.

### PROCESS

1. The Parks and Recreations committee to make a recommendation to keep it as one event held in conjunction with Arbor Day or separate the events.
  - If the Parks and Recreations Committee propose to separate the events, City staff would like suggestions of a date and time for both events.
  - If Parks and Recreations Committee propose that the events continue to be held together annually, a date/time needs to be suggested for that event.
2. The Parks and Recreations committee choose a project manager to lead the event
3. The City Clerk will prepare a Staff report for City Council outlining Parks and Recreations findings
4. The City Manager will make a recommendation based on City resources.
5. City Council will review recommendations and make final decisions

### BACKGROUND

The first SOLVe event occurred on September 10, 2016, as an annual riverside cleanup effort. The first Arbor Day was held December 10, 2016 in order to meet application requirements before the extended December 31 deadline. The regular deadline is December 16 of each year. In the years to come SOLVe and Arbor Day would be held in Conjunction with each other.

### PREVIOUS COMMITTEE ACTION

- 2017 Park and Recreations Committee recommended to City Council to Adopt Resolution 17-2017 declaring support of Arbor Day and setting an annual day to celebrate Arbor Day on the second Saturday in September. See Exhibit B
- 2018 the Park and Recreations Committee recommended City Council adopt RESOLUTION 27-2018 hold the SOLVe/Arbor Day event on Saturday September 29, 2018. See Exhibit C.
- Park and Recreations Committee meeting minutes from Wednesday October 17, 2018 under New Business (7. B.) the SOLVe/Arbor Day Event was not recorded as discussed and no motion was made for a 2019 date. See Exhibit D

### ALTERNATIVES/FINANCIAL IMPLICATIONS

Park and Recreations Committee can recommend that City Council not participate in either the SOLVe or Arbor Day events although Arbor Day is a requirement by DEQ for annual TMDL reporting. The TMDL show efforts by The City to prevent pollutants from entering the watershed. It is also a requirement to maintain our Tree City certification. SOLVe is not for any profit benefit but is however the sole source of our yearly river cleanup.

### STAFF RECOMMENDATION

City Staff recommends for both events, either in conjunction with each other or separate be held on the same day each year for better community turnout.

## AGENDA REPORT

---

---

**TO:** All Falls City Public Bodies  
**FROM:** JoHanna Birr, City Clerk  
**SUBJECT:** 1920- 2020 Women's Vote Centennial  
**DATE:** 7/24/2019

---

### **SUMMARY**

The 2020 centennial presents a unique opportunity to expand the narrative of women's suffrage and women's history by sharing the stories of women who have made strides in our community. Finding and telling these stories inserts more voices into our community's history, engages more community members and recognizes an important piece of not only local, but American history.

To participate in this celebration, the City of Falls City will need a champion (individual or group) to help create, coordinate, and place exhibits/events, as well as to liaison between contributors and potential exhibitors. PLEASE CONTACT CITY HALL IF YOU ARE INTERESTED IN HELPING MAKE THIS OPPORTUNITY A REALITY!

### **BACKGROUND**

In 1920, Women gained the right to vote with the passage of the 19<sup>th</sup> Amendment to the US Constitution. One hundred years later, communities across the nation will celebrate this Centennial. The attached guide is designed to help heritage organizations in Oregon plan ahead to incorporate stories and programming related to the women's vote and women's history into their 2020 activities. Oregon was one of several western states that saw early victories approving women's voting rights in 1912.

Celebration of the Centennial planning should start now for events in our community to commemorate and share stories of women who have changed history. Because women were historically denied full participation in mainstream cultural, social, political and economic activities, many of their stories have been marginalized or gone unrecorded.

Falls City has a surprising heritage in own right. Florence Wolfe [1850-1939] came to Oregon in 1853, crossing the plains with her parents William and Ruth Ruble. They settled in the Eola Hills where her father founded mills and worked as a horticulturist. Wolfe came to the Falls City area in 1888 and established a flourishing farm on Tater Hill southeast of town and developed property within the town. During her long residence, she worked for the good of the community and was among those who unsuccessfully promoted a highway from Falls City to the coast. She handled exhibits at the county and state fairs with great success. She was in charge of the Polk County exhibit at the Lewis & Clark Exposition in Portland in 1905 and won a number of blue ribbons for the county.

Abigail W. Watt is the first woman mentioned in the Falls City minutes having a position with the City. An excerpt from January 2, 1923 adopted Falls City Council minutes reads; "Abigail W. Watt presented her official bond as Auditor and Police Judge signed by H.E. Starr and W. L. Russell as sureties. On motion of Roy McDonald seconded by D. J. Grant the bond of Abigail W. Watts was accepted. Motion carried unanimously."

Fanny Lamberson Branson had the first Roquefort cheese factory in the entire United States in 1919 located in Falls City on the Teal farm she and her husband Jay purchased. It was reported to be superior to anything imported from France. At one point, the entire finished products produced were shipped to Portland. Its hay-day ended with the crash of the stock market and Great Depression.

Faye Wilson [1909-1989] was born in St. Johns and educated in Newberg and Portland. She came to Falls City in the 1930s and worked tirelessly for the City as its Recorder, Police Judge and School District Secretary. She was also a member of the City Council. In her role as municipal judge, it was said that she "treats them fair and hits them hard." Wilson worked for the Polk County Health Association and for juvenile betterment programs. She was organist for the United Methodist Church and was active as pianist for her husband's dance orchestra which played often at Wagner Hall from 1938 to 1943.

#### **FIANCIAL IMPLICATIONS**

Funding opportunities include; County Cultural Coalitions, Oregon Cultural Trust, Oregon Museums Grant, Oregon Heritage grant (due fall of 2019), Travel Oregon Mini Grant and Oregon Humanities Responsive Grant, amongst others.

#### **STAFF RECOMMENDATIONS**

Staff would like to share this opportunity with the community in order to determine whether any citizen or group of citizens would like to take the lead in engaging various community groups and/or organizations to facilitate researching, creating, and placing exhibits for this amazing Centennial!

Additionally, staff would like to solicit input from throughout the community, regarding women who contributed to Falls City and the surrounding community, from past to present. Staff encourages submission of inputs before November 15, 2019.

## Plan Ahead for the Women's Vote Centennial

In 1920, women gained the right to vote with the passage of the 19th Amendment to the US Constitution. One hundred years later, communities across the nation will celebrate the Centennial. This guide is designed to help heritage organizations in Oregon plan ahead to incorporate stories and programming related to the women's vote and women's history into their 2020 activities.

### Historic Background:

The year 2020 marks the 100th anniversary of the ratification of the Nineteenth Amendment, which placed women's voting rights in the United States Constitution. Oregon was one of several western states that saw early victories in this area. In November 1912, Oregon men approved woman suffrage after voting "no" five times between 1884 and 1910. While most Oregon women achieved the right to vote in 1912, race and ethnicity remained barriers for others to vote. After 1912, women in Oregon continued suffrage work by assisting other state campaigns and pushing for a federal suffrage amendment. On June 4, 1919, the US Congress passed the 19th Amendment. Oregon became the 25th state to ratify on January 12, 1920. By August 1920, 36 states had ratified the US Constitution removing sex as a barrier to voting rights. (Read more at Oregon Encyclopedia).

### START PLANNING NOW!

Now is the time to start planning for 2020 Centennial events in your community! Join organizations across Oregon and the United States in sharing and commemorating stories of women who have changed history.

You may have a good idea of who those women are in your community. But you might also be surprised by the stories you find when you start digging a little deeper. Because women were historically denied full participation in mainstream cultural, social, political, and economic activities, many of their stories have been marginalized or gone unrecorded. The 2020 Centennial presents an opportunity to expand the narrative of women's suffrage and women's history by sharing the stories of women who have made strides in your community. Finding and telling these stories inserts more voices into your community's history, engages more community members, and recognizes an important piece of American history.

### Where to start looking for local stories:

- Research who is buried in local cemeteries
- Research women who lived in local neighborhoods
- Don't limit yourself to the early 1900s-- expand your search to more recent decades
- Research women who held early positions in politics: mayor, city council members, etc...
- Research the first women in a variety of professions in your community
- Consider looking into organizations that have historically served women:
  - Women's Clubs
  - Libraries
  - Auxiliary Clubs
  - Activist Groups
  - Sororities

1920  
-  
2020

### Types of programming to consider:

- Create a mini-exhibit in your library, city hall, shopping center, or local school
- Hold a history talk at your local library
- Expand a history talk to include a civics discussion about a present day issue
- Host a tour of sites associated with local women
- Recreate an historical event
- Present an award to a local civic organization
- Host an Equalitea- Tea has traditionally been a way for women to socialize and organize. An "equalitea" is a way to educate your community about the suffrage movement and/or honor local women leaders.
- Share social media messages. Consider sharing #2020Centennial, #SuffrageAt100, #RightToVote, #WomenDisobey, #GetRadical, #Vote100, #WomenInPolitics, #HerStory, #WomenVote
- Remember that March is Women's History Month!

### Funding Opportunities:

- County Cultural Coalitions- For projects that create, share, document, and develop the county's cultural identity. Learn what's available in your county.
- Oregon Cultural Trust- Funds support access, preservation, creativity, and capacity projects.
- Oregon Museum Grant (due spring 2020)- Funds support Oregon museums in projects related to collections, heritage tourism, and heritage education

**AGENDA REPORT**

---

---

**TO:** PARKS AND RECREATION COMMITTEE  
**FROM:** JOHANNA BIRR, CITY CLERK  
**SUBJECT:** LACK OF LOCAL VOLUNTEERS  
**DATE:** 7/10/2019

---

**SUMMARY**

The City has sponsored and coordinated several regular events this year and heavily advertised for volunteers. Such events included Spring Clean and the Lower Cemetery Restoration Project with the Polk County Cemetery Savers.

Staff reports were submitted to committees requesting assistance with recruiting volunteers. Unfortunately, the Spring Clean had zero new volunteers assisting staff and helping the seniors and disabled during the event. The majority of volunteers assisting the seniors and disabled are seniors themselves. There was one Council member and one public works committee member who volunteered.

The Polk Cemetery Savers have a crew of volunteers which have been coming twice per week to restore damaged headstones and clean those of veterans. They are working in conjunction with staff to properly map blocks and plots in the Lower Cemetery. One Council member and a local couple have been volunteering rain or shine.
